

Noronto Reunion 2019

August 10 - 17, 2019

What is Reunion? It is a major part of our Restoration heritage, a tradition passed down from our church founders. It is an invitation to glimpse Zion. It is an opportunity to experience the broader church community, to rekindle friendships, to recharge, and draw closer to God.

It is time to come home... to Camp Noronto!

- Are you or your congregation feeling stuck? Ready to move forward?
- Are you looking for inspiration?
- Do you need someone to listen to what you need? Maybe even help you get it?
- Are you trying to figure out how to utilize your gifts and talents?
- Does your heart ache for meaningful conversations?
- Do you need to take action? To build? To serve?
- Do you need to be exposed to new thoughts and ideas? To learn?
- Are you looking for a mentor? Are you looking for someone to mentor?
- Does your life need balance? Does your life need a dose of the Spirit?
- Do you have something to say and need a safe place to say it?
- Do you need to get back to nature?
- Do you want to give the children in your life the legacy of sacred community?
- Do you long to celebrate our Restoration heritage?
- Do you want to belong to a community that supports each other all year long?
- Are you interested in feeling spiritually rejuvenated?
- Have you something to share with others?
- Are you pondering a calling in your life or in the church?
- Have you ever wanted to explore with others what it means to proclaim Jesus Christ?
- Do you miss the campgrounds?
